

Energy audit template

Energy Audit Completion Sheet: All rooms

	TV	DVD/VCR	Blu-Ray	Modem/Router	Set top box	Radio	Games console	Energy display
Text description <i>(incl. size and energy efficiency class)</i> For TV: CRT/LCD/plasma								
No. of similar units								
Make								
Model								
Date of purchase								
On/in use time (hrs/day & days/wk)								
Standby/sleep time (hrs/day & days/wk)								
Weekend/Seasonal variance?								
Tick if picture taken	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	Computer	Monitor	Laptop charger	Printer/Scanner	Phone charger	Power adaptor	Tablet	
Text description <i>(incl. size and energy efficiency class)</i> For TV: CRT/LCD/plasma								
No. of similar units								
Make								
Model								
Date of purchase								
On/in use time (hrs/day & days/wk)								
Standby/sleep time (hrs/day & days/wk)								
Weekend/Seasonal variance?								
Tick if picture taken	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Kitchen

	Hob	Oven	Grill	Microwave	Kettle	Toaster	Iron	Vacuum
Text description <i>(incl. energy efficiency class)</i> Hob: induction/electrical resistance	Fuel:	Fuel:						
No. of similar units								
Make								
Model								
Date of purchase								
Funding source								
On/in use time (hrs/day & days/wk)								
Standby/sleep time (hrs/day & days/wk)								
Weekend/Seasonal variance?								
Tick if picture taken	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	Washing machine	Tumble dryer	Dishwasher	Fridge	Freezer	
Text description <i>(incl. size and energy efficiency class)</i> For washing: weight(kilos) & drying function						
No. of similar units						
Make						
Model						
Date of purchase						
Funding source						
Number of cycles (per week) @40deg						
Number of cycles (per week) @60deg						
Number of cycles (per week) @90deg						
Standby time (hrs/day & days/wk)						
Weekend/Seasonal variance?						
Tick if picture taken	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
